HOUSE PASSES CRITICAL JOB TRAINING LEGISLATION

CONCORD, NEW HAMPSHIRE – The House of Representatives voted 207-140 today to pass [SB 2-FN](#), relative to funding for job training programs and also called the Granite State Jobs Act. **Representative Patricia Lovejoy (D-Stratham)** released the following statement:

“Senate Bill 2 triples the contribution to the Job Training Fund through the Department of Business and Economic Affairs, allocating an additional \$4 million per year to enhance the public-private partnership to recruit, train, and re-employ workers in order to meet New Hampshire’s skill gap and worker shortage. By expanding access to job training programs for both unemployed and current workers, Senate Bill 2 will help close the gap between employers looking for skilled workers and our state’s low unemployment rate.”
