HOUSE PASSES CRITICAL JOB TRAINING LEGISLATION

CONCORD, NEW HAMPSHIRE – The House of Representatives voted [216-146](#) today to pass [SB 2-FN](#), relative to funding for job training programs and also called the Granite State Jobs Act. **Representative Timothy Soucy (D-Concord)**, Vice Chair of the House Labor Committee, released the following statement:

“Senate Bill 2 is an important step to close the gap between employers looking for skilled workers and our state’s low unemployment rate. This legislation expands access to job training programs for both unemployed workers and current workers as well.”

“Senate Bill 2 also focuses on populations that have higher than average unemployment and underemployment rates. We recognize that addressing some of the barriers to employment allows our citizens to support themselves and their families while also providing a skilled workforce to New Hampshire’s employers.”
