INDEPENDENT REDISTRICTING PROPOSAL PASSES HOUSE

CONCORD, NEW HAMPSHIRE –Today, the New Hampshire House voted [203-121](#) to pass [HB 1665](#), establishing an independent advisory redistricting commission in New Hampshire. **Representative Marjorie Smith (D-Durham)** released the following statement:

“Removing partisan politics from the redistricting process is very important to the people of New Hampshire. Independent redistricting ensures that it is the people picking their politicians instead of politicians picking their constituents. We have made significant changes to the bill to help ease concerns from the governor’s office and hope that he sees the importance of legislation that will significantly restore people’s faith in their government.”
