**HOUSE REPUBLICANS CONTINUED THEIR ATTEMPTS TO HINDER PASSENGER RAIL CONCORD, NEW HAMPSHIRE** – After the New Hampshire House passed HB 1432, a bill that prohibits the use of state funds for new passenger rail projects, **Public Works & Highways Ranking Member John Cloutier (D-Claremont)** released the following statement:

“Due to the actions of House Republicans today, infrastructure progress on passenger rail is now in danger. Republicans continued their attempts to hinder passenger rail access by passing HB 1432, a bill that blocks state funds for new passenger rail projects. If New Hampshire is to continue to grow and prosper with the boosted economy and enhanced way of life that passenger rail will provide, we must stop these efforts. New Hampshire needs passenger rail, New Hampshire wants passenger rail and we will continue the fight for it.”
